

WWII Movie Clip Permission Slip

Dear parent/guardian,

As part of an upcoming World War II (WW2) unit in World History II (WH II), I am planning on showing the first 28 minutes of Saving Private Ryan which focus on the D-Day landings. I am sending this letter home with the permission slip because Saving Private Ryan is "R" rated, and the scenes that I am going to show contain violence associated with war and adult language. The video clip will be part of a culmination activity where your child will examine primary source documents related to the landings and then compare it with the film. That day's instruction will cover WH II SOL-12a (WW2 events). If you decide to opt out, your child will be given an alternative assignment to complete. If you have any questions you may contact me pcosta@hampton.k12.va.us or call 757-806-7728

Thank you,
Patrick Costa
