Illustrated by Hiroshi Kito.

\*Please note: A 49 cent (1967-69 plastic lighter fluid bottle should be included in the lighter fluid cans list. It is not illustrated on the chart, but does exist. The chart was made before its known existence. I value both the 29 cent and 49 cent plastic fluid bottles the same. Both are extremely rare. I have given the 49 cent bottle access #175A.
