### 1943 CIGARETTE TAX STAMP

Cigarette Tax Stamps are numbered by year. Look at the small blue number below the "0" in the number 20. The date of manufacture is 1910 years greater than the 3 digit number show. So just add 110 + 1910 = 1940 / 111 + 1910 = 1941 / 112 + 1910 = 1942 / 113 + 1910 = 1943 / 114 + 1910 = 1944 / 115 + 1910 = 1945

Set your color laser printer margins to .3" on all four sides.
