

FUEL, RATION HEATING (INDIVIDUAL)  
HEXAMINE

Stock number 51-F-2073  
Specification MIL-F-10805 (QMC)  
Contents 6 tablets, sufficient to heat 1 ration

VAN BRODE MILLING CO., INC., CLINTON, MASS.

CAUTION: Use these fuel tablets only in well ventilated places. Breathing the fumes of combustion in confined spaces may cause death.

DIRECTIONS:

1. Keep tablets dry.
2. Stand 2 tablets on edge (preferably on a dry surface) in a trench about 3 by 4 by 3 inches deep.
3. Protect from wind.
4. Ignite tablets.
5. Place cup or can near one end of trench to control draft.
